Erin brought the meeting to attention. Erin stated Boosterthon has raised over \$30k. Erin mentioned the Birthday signs and that the link is on the website for purchasing signs. The signs are to rent for each month to celebrate the child's birthday.

Guilford College Chic-Fila sponsor this year. There will be a raffle coming later this year.

There will be an event at Sky Zone 3-8pm on October 25<sup>th</sup> as a fundraising event. Part of the proceeds come back to Colfax Elementary if you mention you are there as a Colfax family.

There will be a scholastic book fair. November 8-12<sup>th</sup>. The Board will be there that week to work the fair.

The Penguin Patch is another fundraiser that will be in December. Every child will be able to get something. The lady that owns the company has a background in education. There is a rewards program that will be implemented in the classroom and so children that need help in purchasing will have help.

Erin opened it up for questions. No questions asked.
